Dear Mr. Cozzetto;

Enclosed please find a copy of our limited microbial bioaerosol (airborne) survey report that was conducted at Albany Avenue School on May 24, 2007 and at the Alleghany School on June 19<sup>th</sup>. The report documents the methods utilized in the survey at the Albany Avenue School in the following classrooms for the presence of microbial organisms (bacterial and fungal), 109, 1114 A & B, 212 and in classroom 115 in the Alleghany School.

Should you have any questions or require additional information regarding any aspect of the survey, please feel free to call Charlie Erlanger at (631) 277-4579. We thank you for the opportunity to be of service to you.

Very truly yours,
